

Come Join A Great Group of Men

Whose Sole Purpose is to Help Our Veterans

The Tualatin VFW Men's Auxiliary exists to provide support to local veterans and their

families in times of need. They were there for us and we do our best to be there for them.

Many people believe that you must be a veteran in order to belong to the VFW and that's true. That's why the VFW Men's Auxiliary was formed because a lot of us realized that the need keeps growing and **OUR VETERANS DESERVE ALL THE HELP THEY CAN GET.**

In order to be a member of the VFW Men's Auxiliary all you need is proof that you are directly related to veteran of a foreign war. Any of the following qualifies you for membership: a son or a daughter, father or mother, a brother or sister, grandparents, great grandparents, uncles or aunts, even cousins in any of those generations.

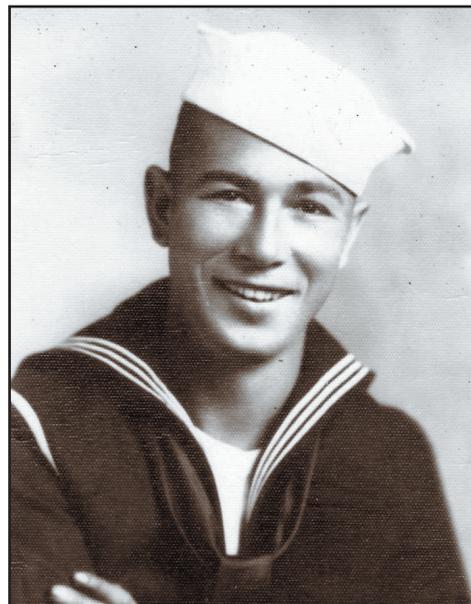

Our current activities include a Benevolence Program for emergency needs of Veterans and their families; participation in the Regatta Run; the Tualatin Crawfish Festival; and distribution of Buddy Poppies on Veteran's Day and Memorial Day and at other appropriate events.

“Serving Those Who Have Served is our Mission Statement. You too can give back to those who have given so much”

You can help us expand our service by joining with us. For more information visit our website www.tualatinvfw.com. Please join us at our next meeting, Thursday Dec 15th, 6:30pm at the VFW Post above Mashita's in Tualatin. Ring the door bell for entry.
