

# Tualatin Youth Football Standouts Become West Coast Champions at FBU Competition

BY SHANNON FRIESEN

Congratulations to 6th graders Blake Jackson, Davis Friesen and Austin Donahue from Tualatin Youth Football League who made it to the FBU (Football University) competition in San Antonio last month.

FBU is a team the boys have to try out for and while 78 tried out, only 25 made the team. These boys were on a special football team called the Oregon 6th Grade All Stars and they competed nationally in the FBU competition last month and became West Coast Champions.

The FBU Organization takes boys from all over the Nation and teaches them better skills to help them go further in the game. Tryouts are by invitation only. Our team was headed up by Coach Bryan Jackson, assisting was Todd Gydesen and Rod Friesen. All three coaches are from the Tualatin Youth Football League.

There were sixty four 6th grade teams in the competition that played each other and our Oregon team earned the title

of West Coast Champions. They played in Seattle, Sacramento and San Antonio. They are one of the top 4 teams in the Nation.
