

# Celebrate Tualatin!

Each spring, communities across America celebrate the volunteers – individuals, businesses, and organizations – who give their time, talents and resources to help those in need. Tualatin is one of those lucky communities with a wealth of good samaritans who seem to have an insatiable spirit for giving back. These are the people that help make our fine city a great place to live, work and play.

On April 28th, The Tualatin Chamber of Commerce honored a few of these fine citizens at the Annual Celebrate Tualatin Awards Luncheon. Sponsored by PGE and held at the Tualatin Country Club, the program recognized twenty-six individuals and businesses who were nominated in seven categories by members of the Chamber and the community. Collectively, these nominees represent countless hours of volunteerism, charitable contributions, community activism, and donations that have had an impact on the community through scholarships and youth programs, special events and tourism, parks and recreation, business development and growth, and so much more!

While we know that there are many more unsung heroes in our community, here are the 2016 Celebrate Tualatin nominees and award recipients:
